Global Competition Review's 2019 edition of the *Competition Enforcement Agencies Handbook* provides full contact details for competition agencies in over 100 jurisdictions, together with charts showing their structure and a Q&A explaining their funding and powers. The information has been provided by the agencies themselves and by a panel of specialist local contributors.

The *Competition Enforcement Agencies Handbook* is part of the *Global Competition Review* subscription service, which also includes online community and case news, enforcer interviews and rankings, bar surveys, data tools and more.

We would like to thank all those who have worked on the research and production of this publication: the enforcement agencies and our external contributors.

The information listed is correct as of April 2019.
